Our Courses

Language
Sphere

We offer TEF, TEF Canada, TCF Canada, TEFAQ, Quebec TEFAQ, DELF, DALF, and dedicated French courses for high-school students—all under one roof.

TEF/TEF Can

A French proficiency test for immigration and professional purposes—we help you master all sections with targeted practice, strategies, and mock tests.

TCF Can

An official French test for Canadian PR—we train you with structured lessons and timed simulations to boost your CRS score.

TEFAQ (Quebec)

A French exam for Quebec immigration—we focus on high-scoring speaking and listening techniques to maximize your Quebec points.

DELF (A1-B2)

An international diploma for French learners—we guide you through grammar, speaking, and writing essentials to confidently pass each level.

DALF (C1-C2)

An advanced French diploma for academic or professional goals—we help refine your high-level comprehension, argumentation, and fluency.

High School French Courses

Academic French support for school curricula—we assist students with syllabus mastery, exam preparation, and strong foundational skills.

Our Team's Testimonials:

Riya Garg
Ottawa, ON

LanguageSphere helped me jump from A2 to B2 in just a few months. The teachers explain everything clearly, and the mock tests boosted my TEF Canada score dramatically. Truly the best place to learn French!

Josephine
Vancouver, BC

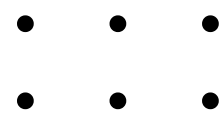

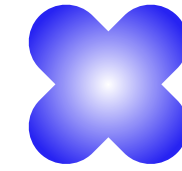

I trusted LanguageSphere for both my French preparation and immigration guidance. Sumrit and Isha made the process simple and stress-free. I got my desired French score and my PR application went smoothly.

Nirali M.
New Delhi, IN

"My daughter's confidence in French improved within weeks. The teachers are patient, skilled, and really know how to teach. She scored her highest marks ever!"

Excited to Collaborate With You

We also welcome collaborations with institutes and organizations.

LanguageSphere provides French language training for employees at specially discounted corporate rates, ensuring your team gains strong language skills with expert guidance.
